

*Pave the path to the Co-op
...one brick at a time*

We have dreamed, waited and worked!

- Would you like a way to ***show that you are a part*** of South Carolina's first retail grocery Co-op? Or would you like to ***honor someone*** who nurtured your concern for the community and belief in cooperation?
- The Hub City Co-op grocery will open its doors and contribute to a thriving downtown and Upstate food economy. Celebrate this historic event by buying a brick !
- The Board of Directors and General Manager announce the opportunity to purchase engraved bricks that will form a part of the path to the store.

Yes, I'd like to purchase an engraved brick.
